Dropbox Business

Standard plan
For teams needing powerful storage, sharing and collaboration tools

The Standard plan offers powerful new collaboration and sharing features combined with essential admin tools and storage to fit your team's needs.

Increase productivity and collaboration

Smart Sync
Access to every folder right from your desktop, while taking up virtually no space on your hard drive.

Team folder
Keep collaboration secure with granular permissions and a central hub for content management.

Dropbox paper
Create and share collaborative documents with teammates.

Redesigned Dropbox web experience
A simpler user interface and revamped user experience to make Dropbox more accesible and easier to navigate.

Access essential admin features

Powerful administrative tools
Increase visibility and centralize control over company data with these essential admin features for self-managed teams:

• Remote wipe

• Audit logging, filtering and exporting 200+ events

• Company-managed groups
